Hey Ted,

I think the letter is good to go. Please copy me, the City, and ACHP (they are all copied to the letter) in the email. As I mentioned in the previous email, I think it would be a good idea to mention in the email to SHPD that we are planning to send out an email to the consulting parties with the information. The signatories to the PA should be included in that email.

Before you send out an email to the consulting parties, please send draft text to me for review. The consultants, by the way, are going to send us a new FTP site for the attachments.

Liz

Liz, good to go? Let me know, when you ok it I'll email to SHPO, copy you and the City (maybe ACHP? NPS? What do you think?) and mail the hard copy to SHPO.
